HC quashes plea for CBI probe against CM Siddu

Petitioner Snehamayi Krishna to move Supreme Court

Bengaluru, Feb. 7 (BLU&BCT)- In a major relief for Karnataka Chief Minister Siddaramaiah, the Dharwad Bench of the Karnataka High Court, led by Justice M. Nagaprasanna, this morning quashed a petition seeking a Central Bureau of Investigation (CBI) probe into the Mysuru Urban Development Authority (MUDA) 50:50 sites case.

Siddaramaiah

Justice Nagaprasanna, while delivering the verdict, stated, "The material on record does not indicate that the investigation conducted by the Lokayukta is partisan, lopsided or shoddy for this Court to refer the matter to the CBI for further investigation or reinvestigation. The petition is dismissed."

After hearing arguments from both sides, the Court had reserved its verdict on Jan. 27. CM Siddaramaiah was named as first accused in the case while his wife B.M. Parvathi, was listed as second accused.

Silent film about Lincoln found after over 100 years

New York: A 1915 silent film about Abraham Lincoln was thought to be lost forever before being found in a warehouse on New York's Long Island.

Dan Martin, a summer intern at Historic Films Archive in Greenport, was sorting through boxes of donations at the archive's warehouse last summer when he found the only known surviving copy of 'The Heart of Lincoln,' a silent film about the life of President Abraham Lincoln.

The Heart of Lincoln had been listed by the Library of Congress as among the some-7,000 silent films believed to be completely lost to time.

The film was directed by Francis Ford, . Ford's younger brother, John Ford, went on to win four Academy Awards for Best Director. John Ford directed the 1939 film Young Mr. Lincoln. Joe Lauro, owner of the Historic Films Archive, said the movie's rediscovery came as a shock.

"With silent films, probably 70% percent of them are gone. It's a piece of the puzzle that's now been found. The puzzle of lost American cinema," Lauro said.

Shivaji Road in N.R. Mohalla needs immediate repair works

Sir,

Shivaji Road in N.R. Mohalla has been in a deplorable condition for several months, causing significant inconvenience to commuters and pedestrians alike.

While the Mysuru City Corporation (MCC) collects road-cutting charges from vendors, it fails to patch the damaged roads for an entire year. This negligence raises serious concerns about the responsibilities of the area authorities and engineers.

Nine months ago the road was excavated for UGD works, but it wasn't patched up or repaired after it, resulting in extremely bad roads with pits and potholes.

As one of the busiest roads connecting multiple areas, Shivaji Road demands immediate attention. A major portion of road, from N.R. Mohalla Park to Fountain Circle, lacks a proper footpath, making it unsafe for pedestrians. Additionally, lorries have been illegally parked on footpath for several years, further deteriorating its condition and obstructing pedestrian movement.

Despite tax-payers contributing significantly, they are not receiving the basic infrastructure they deserve. The MCC authorities must take urgent action to asphalt the road, restore the footpaths and improve overall road conditions at the earliest.

MUDA Officers force Armyman to run from pillar to post for site

Mysuru, Feb. 7 (BLU&BS)- State BJP Spokesperson M.G. Mahesh has alleged that the officers of Mysuru Urban Development Authority (MUDA), who hand over the letter of sanctioning sites to Chief Minister Siddaramaiah's wife B.M. Parvathi at the latter's doorstep, are yet to honour the request for a site by a soldier who fought Kargil war.

Mahesh, was addressing media persons at the City BJP Office in Chamarajapuram yesterday.

The High Court has chastised MUDA for not sanctioning the site to the serviceman and the Government should feel ashamed. While the same MUDA officials roll out red carpet for those involved in land mafia, the soldier who fought war for the country is made to run from pillar to post. The people are observing this blatant attitude of MUDA officers. The days are not far, when the people would launch a rebellion, said Mahesh.

State BJP Spokesperson M.G. Mahesh addressing media persons as District Spokesperson Daynanand Patel (extreme left) and City Media Convener M.S. Mahesh Raje Urs look on.

While Chief Minister Revanth Reddy of Telangana, belonging to the Congress party has released the report within three months of Caste Census, but here in Karnataka, Chief Minister Siddaramaiah, is yet to release the Kantharaju Commission Report on Caste Census. If Siddaramaiah doesn't have the temerity to release the report, better he should resign, demanded Mahesh.

The delay in releasing Kantharaju Commission Report by Siddaramaiah shows that, though he claims to be the champion of backward classes, he has least concern towards their welfare.

BJP District Spokesperson M. Mohan said, with the Delhi Assembly elections over, the BJP high command is expected to solve the crises that have grappled Karnataka BJP unit. There are no differences among party workers, but it is true that, the leaders are in disagreement. Union Minister Shivaraj Singh Chauhan, who has been tasked with solving the crises, is expected to iron out the differences.

BJP District Spokesperson Dayanand Patel and City Media Convener M.S. Mahesh Raje Urs were present.

Loan scam

Former Minister Krishnaiah Shetty, 3 others sentenced to three years jail

Bengaluru, Feb. 7 (Agencies)- Former Minister S. N. Krishnaiah Shetty and three others have been sentenced to three years imprisonment, upon their conviction in a loan scam.

Krishnaiah

Krishnaiah Shetty, who was a Muzrai Minister in BJP Government and had represented Malur Constituency in the Legislative Assembly, was facing grave irregularities of securing a loan of Rs. 7.17 crore on the basis of fake documents in the year 1993.

The Special Court for Elected Representatives, that was hearing the case, found Shetty and co-accused guilty in the scam, under IPC Sections 120B, 420, 467 and 471. The other accused in the case are M.T.V. Reddy, Muniraju and K. Srinivas. The Court has also imposed a fine of Rs. 1 lakh on each of the convicted persons.

Subsequently, advocate Nagendra, appearing for Shetty, filed a bail application and sought the suspension of sentence for a period of one month, that was considered by Judge Santosh Gajanana Bhat, on the basis of furnishing Rs. 5 lakh bond and surety of a person. Besides, convict can file an appeal against the judgment, states the Court order.

The case dates back to 1993, when Shetty was the proprietor of Balaji Krupa Enterprises. However, he had cheated many employees of public sector companies, promising housing loan for them from a bank.

He had secured a loan of Rs. 7.17 crore in the name of 181 employees of BTS, KSRTC, BSNL, ITI, HAL, BEML and ADE, on the basis of forged documents. He was owing Rs. 3.53 crore towards the total bank loan, according to the investigation by the CBI.

Following a complaint by Chief Vigilance Wing Head R.D. Naidu, CBI had taken up the probe.

Abetment to hubby's suicide: Wife, paramour, brother get 5 years jail

Mysuru, Feb. 7 (RK&BS)- A woman, convicted of abetting her husband's suicide, has been sentenced to five years rigorous imprisonment along with her paramour and brother, by the Third Additional District and Sessions Court.

Judge K. Bhagya, pronounced the judgment sentencing the three accused — Jyothi, her brother Manjunath and paramour Prasanna Kumar — along with imposing a fine of Rs. 1.25 lakh. Public Prosecutor T.H. Lolakshi, argued on behalf of the prosecution.

Jyothi had married Kumar of Chikkati village in Nanjangud taluk on Apr. 9, 2010. The couple had a son and daughter. However, Jyothi was behaving strangely like a mentally challenged in her husband's house, but was appearing happy whenever she was sent to her parents home. After returning to her husband's place, she was back to her histrionics, behaving as if she was possessed. To ensure her health condition, she was left in her parents place most of the time.

On Jan. 21 and 22, 2018, Jyothi's brother Beeresh's marriage was scheduled at Yatri Bhavan in Nanjangud. Everyone was having dinner after the marriage rituals in the night, when Jyothi went, leaving her dinner midway. When her husband Kumar, went in search of her, she was found with her paramour Prasanna Kumar, in one of the rooms in the Choultry. When her husband Kumar raised the issue with his brother-in-law Manjunath, he showed no remorse, but instead defended them and abused Kumar, joined by his sister Jyothi, coercing him to end his life by consuming poison, if he felt insulted.

Humiliated, Kumar committed suicide by consuming pesticide on the night of Jan. 23. Biligere Sub-Inspector Yashwanth Kumar, had conducted investigation and submitted a charge sheet to the Court.

The organisers have made comprehensive arrangements for the final day, anticipating a large turnout and heavy vehicular traffic. Lunch for 30,000 people have been arranged at the final point of the rally and cooking began last evening.

The main procession started at 10 am from Kaggodlu, heading towards General K.S. Thimayya Circle. After assembling at various entry points in Madikeri such as the Gen. Taj Hotel coming to Mysuru

IHCL signs deal with DM South India Hospitality

No takeover of Lalitha Mahal Palace Hotel

Mysuru, Feb. 7 (RK&BCT)- It's official — the Taj Group will not take over the iconic Lalitha Mahal Palace Hotel, which remains under the control of Jungle Lodges and Resorts (JLR), a Karnataka State Government-run Wildlife and Eco-Tourism Company.

Instead, **IHCL (Indian Hotels Company Ltd.),** which owns the Taj brand, has signed an agreement with DM South India Hospitality to operate a luxury hotel in Mysuru. The deal involves the building that currently houses the Radisson Blu Plaza Hotel on M.G. Road.

The IHCL, India's largest hospitality group with over 335 hotels in 150+ locations across four continents and 12 countries, has officially announced the signing of a new luxury hotel in Mysuru, marking the entry of its prestigious Taj brand into the city.

Confirming the development, the Director of Radisson Blu told *Star of Mysore* this afternoon, "The building we operate from is owned by DM South India Hospitality, and they have inked a deal with IHCL. Our contract with them ends in March, after which the Taj Group will take over. Full-fledged operations are expected to begin in another five to six months."

Why Lalitha Mahal Palace deal fell through?

According to sources, IHCL had shown interest in taking over the Lalitha Mahal Palace Hotel, but JLR imposed several conditions that the hospitality giant was unwilling to accept.

Speaking on the matter, Jungle Lodges Chairman Anil Chikkamadu stated, "Tenders for Lalitha Mahal's takeover have been floated, and several reputed private hoteliers have expressed interest. The tenders will be opened on Feb. 18, and we will decide who will run the historic hotel built by the Maharajas."

Clarifying JLR's stance on the Taj Group, he added, "We were willing to hand over Lalitha Mahal to Taj, provided they agreed to our conditions. We never denied them permission. But since the hotel was built by the Mysore royalty and has been maintained well, certain conditions were inevitable."

IHCL hails moving to Mysuru

According to a press release from IHCL, nestled at the foot of Chamundi Hill and overlooking the Mysore Palace, the 141-key Taj Mysore will seamlessly blend Indo-Saracenic architecture with modern luxury. Spread over 5.03 acres, the hotel is strategically located near the Mall of Mysore, offering views of a lush golf estate and the famed Mysuru Zoo.

It will feature multiple dining options, including a specialty restaurant, a lounge, and a bar. Guests can also unwind at the spa, gym, and swimming pool, while an 11,000 sq. ft. banqueting space will cater to corporate and social events.

Speaking about the project, Suma Venkatesh, Executive Vice-President, Real Estate & Development, IHCL, said, "Mysuru, known for its rich heritage, is evolving into a key hospitality market with the growth of manufacturing and IT sectors. It also serves as a gateway to destinations like Kodagu (Coorg), Kabini, Bandipur, and Ooty. The Taj Mysore strengthens our presence in Karnataka and reaffirms our commitment to luxury hospitality."

The hotel is being developed in partnership with DM South India Hospitality Pvt. Ltd. Sushen Mohan Gupta, Director of the Group, expressed confidence that the Taj Mysore would elevate tourism and offer world-class experiences. Utkarsh Munot, also from DM South India Hospitality, remarked that the Taj brand embodies both luxury and heritage, ensuring a lasting impression on visitors.

With Mysuru's reputation as Karnataka's cultural capital, home to the Mysore Palace, Chamundi Hill and Brindavan Gardens, the city continues to attract domestic and international travellers. With this addition, IHCL now has 23 hotels in Karnataka, including 10 under development.

HC quashes plea for CBI probe

(Continued from page 1)

The Judge observed that the **Lokayukta's Office does not suffer from questionable independence** and that there is no issue of the kind outlined by the Supreme Court that would warrant referring the matter to the CBI for investigation or reinvestigation.

Justice Nagaprasanna further noted that the institution's insulation from external influence has already been recognised by both the Apex Court and the High Court, adding that a **CBI probe is not a universal remedy for the concerns raised.**

Reacting to the ruling, petitioner Snehamayi Krishna termed it a temporary setback and stated that an appeal would be filed once the order sheet was available.

The case revolves around allegations that Siddaramaiah used his political influence to secure 14 MUDA sites in his wife's name in upscale areas in exchange for 3 acres and 16 guntas of land at Survey Number 464 in Kesare, acquired by the MUDA to form Devanur Layout.

The petitioner had objected to the ongoing investigation by the Karnataka Lokayukta and sought a CBI probe instead. While reserving its judgement, the Court had directed Lokayukta to continue its investigation and submit a further report.

Six prominent lawyers argued the case, citing Supreme Court judgements. Petitioner's Counsel, Senior Advocate Maninder Singh, emphasised the need for an independent CBI probe. He argued that an impartial investigation is essential when high-ranking Government figures are accused. "The entire Cabinet has decided to shield CM Siddaramaiah in this case," he contended.

Senior Counsel Kapil Sibal countered that the petitioner initially sought a Lokayukta probe but later demanded a CBI inquiry before the Lokayukta could complete its investigation. "The CBI is also under Government control. The Lokayukta Police, however, function independently under the Lokayukta institution," he argued.

Senior Counsel Abhishek Manu Singhvi maintained that this was not a "rarest of the rare" case warranting a CBI investigation, asserting that allowing such petitions would set a dangerous precedent.

Senior Counsel Dushyant Dave, representing the fourth accused, land-owner J. Devaraju, argued that his client faced no criminal charges and that the petition was merely intended to embarrass the Chief Minister. He also accused the petitioner of withholding key documents, including Revenue Department records proving Devaraju's ownership of the land.

It is a temporary setback. I will review the High Court judgement copy to understand the basis on which Justice M Nagaprasanna denied a CBI probe into the MUDA sites case and the grounds on which our arguments faced a setback. I will file an appeal in the Supreme Court. This is only a temporary hurdle – I remain committed to fighting injustice, political influence of the powerful and corruption.

–Snehamayi Krishna, Petitioner

High Court verdict a victory for CM Siddaramaiah: KPCC Spokesperson

Congress leaders taking out a small padayatra holding "Sathyameva Jayathe" placards in city this noon.

Mysuru, Feb. 7 (BLU&BCT)- Karnataka Pradesh Congress Committee (KPCC) Spokesperson M. Lakshmana held a press conference at the Congress Office this noon, asserting that the High Court verdict in the MUDA case has vindicated Chief Minister Siddaramaiah against allegations of wrong-doing.

As the verdict was pronounced, Congress activists took out a small padayatra, holding placards "Sathyameva Jayathe."

"For months, there have been deliberate attempts to tarnish Siddaramaiah's name in the MUDA case. BJP and JD(S) members conspired, using RTI activist Snehamayi Krishna — a mere pawn — to defame the CM's family. Today, justice has been served," Lakshmana declared.

He challenged the BJP and JD(S) to appeal the High Court verdict in the Supreme Court, expressing confidence that the Apex Court would also rule in Siddaramaiah's favour.

Exposes BJP-JD(S) vendetta

The Karnataka High Court's decision to reject a CBI investigation into the MUDA case is commendable. It has put an end to the deceitful politics of the BJP and JD(S), who could not tolerate CM Siddaramaiah's popularity, said H.A. Venkatesh, KPCC Mysuru Spokesperson.

He asserted that those who dragged Siddaramaiah's name in an attempt to tarnish Karnataka's political landscape have now received a fitting response.

"The Court's opinion reinforces the need to put an end to these malicious practices," he stated.

Apollo Hospital launches Breast Care Clinic

Mysuru, Feb. 7 (KS)- As breast cancer remains the most common cancer among women in the country, early detection and timely intervention can significantly improve the treatment outcomes. Understanding the challenges women face, Apollo BGS Hospitals, Mysuru, has launched a dedicated female-led Breast Care Clinic in city.

Dr. Y. Ramya, Consultant Surgical Oncologist at Apollo BGS Hospitals, said, "For the first time in Mysuru region, we have launched a female-led Breast Clinic. However, due to shyness and lack of awareness, many women hesitate to seek medical consultation. Our comprehensive breast care team includes a female surgical oncologist, female plastic surgeon, female onco-pathologist and a female radiologist, ensuring a comfortable experience for patients."

Dr. S. Chaitra, Associate Consultant Plastic Surgeon at the Hospital said, "Breast cancer surgery often leaves behind deformities that cannot be hidden, leading to loss of confidence, especially in young and middle-aged women. Breast reconstruction options are available and can be performed at the same time as the first surgery. Reconstruction to make the shape normal, can also be done using the patient's own tissues. As a woman, I understand, empathise and committed to help women receive the best care."

Dr. Ranjitha, Consultant Onco-pathologist said, "At Apollo BGS Hospitals, we also have Cryostat or Frozen Section studies, which provide crucial information on margin and lymph node status during surgery. After surgery, our role extends to performing specialised tests and molecular studies that help in treatment and management which help determine if the cancer is genetic, providing essential insights for personalised care."

Dr. Hema, Consultant Radiologist said, "We have advanced Sonomammogram facilities at the Hospital along with concurrent procedures like Fine Needle Aspiration Cytology and biopsy to obtain tissue samples for pathological evaluation, ensuring accurate and early diagnosis."

Classify cancer as notifiable disease

Apollo Cancer Centres (ACCs), in collaboration with the Indian Council of Medical Research (ICMR), Indian Medical Association (IMA) and State Oncology Associations, launched a nationwide campaign 'Unify to Notify' on World Cancer Day.

Through this campaign they urged the Government to declare cancer as a notifiable disease in India, a crucial step towards strengthening cancer care.

N.G. Bharateesha Reddy, Vice-President and Unit Head, Apollo BGS Hospitals, Mysuru, said, "Apollo Cancer Centre urges Government to classify cancer as a notifiable disease as it will provide us with crucial epidemiological data needed for evidence-based policy making. This campaign represents a critical step towards transforming cancer care and identifying cancer as notifiable disease, where every cancer case counts and no data point is lost in the journey towards better cancer care."

Dr. Naveen Jayaram Anvekar, Consultant Medical Oncologist said, "Classifying cancer a notifiable disease is a transformative step that will revolutionise how we approach cancer care in India. We are now seeking the support of industry experts and urge the Government of India to pass this Bill to enable better cancer care and research across India.

Dr. D. Parameshwar Naik, President of IMA Mysuru Branch said, "The IMA stands firmly with this initiative to make cancer a notifiable disease. This will bridge the gaps in our cancer surveillance system and enable better coordination between various healthcare providers."

Dist. Health authorities seek more dialysis machines

Mysuru, Feb. 7 (RK&DM)- To meet the rising demand for dialysis machines, the District Health authorities have submitted a proposal to State Government seeking an additional 40 machines.

There are as many as 173 State-run Hospitals in the district, including PHCs, CHCs, General Hospitals and other Health Centres. At present, dialysis centres are functioning at the Nephrology unit of K.R. Hospital in city and at General Hospitals in Taluk-level. While there are 23 dialysis machines in K.R. Hospital, there are 18 in all General Hospitals of the district put together. However, recently, 16 machines were added, bringing the total number to 34.

Speaking to *Star of Mysore*, DHO Dr. P.C. Kumaraswamy said that there were 23 dialysis machines in K.R. Hospital attached to MMC&RI and recently 14 were added to this, bringing the total number to 37. He pointed out that K.R. Hospital and other State-run Hospitals are finding it difficult to meet the increasing demand, with patients from neighbouring districts too visiting the Hospital to avail free dialysis.

"Taking note of the increasing demand, the District Health Department, along with MMC&RI attached Hospitals, has submitted a proposal to the State Government seeking 40 more dialysis machines for the district in the forthcoming budget. The proposal is likely to come up before the Cabinet meeting scheduled to take place at M.M. Hills late next week," he noted.

"Currently, K.R. Hospital, which is popularly known as 'Doddaspatre' among the rural masses, provides dialysis service to 65 patients each day, in three shifts. The number of patients with renal diseases is increasing and one dialysis session takes around 4-5 hours. As such there is a need for more machines at existing centres and more facilities where dialysis can be done," he said.

In Private Hospitals, dialysis costs anywhere between Rs. 2,000 and Rs.4,000 per session, excluding travel and other costs, which cannot be afforded by poor patients. As such, many patients depend on State-run Hospitals to avail free dialysis.

K.R. Hospital, the biggest State-run Hospital in Mysuru district, alone conducts 1,750 sessions every month.

Pronunciation: kuh-NARD (noun).
Meaning: Canard refers to a false report or story, or to a belief or rumor that isn't true. It can also refer to a kind of airplane as well as to a kind of small airfoil.
Origin: In 16th-century France, vendre des canards à moitié was a colorful way of saying "to fool" or "to cheat." The French phrase means, literally, "to half-sell ducks." No one now knows just what was meant by "to half-sell"; the saying was probably based on some story widely known at the time, but the details have not survived. Lost stories aside, the expression led to the use of canard, the French word for "duck," to refer to a hoax or fabrication. English speakers adopted this canard in the mid-1800s. The aeronautical sense of canard, used from early days of flying, comes from the stubby duck-like appearance of the aircraft.
Example: "It's such a canard to think young people don't care about great information. They do. ... [W]e have to start thinking, as media, of where they're getting it." — Kara Swisher, quoted at The Atlantic, 29 Feb. 2024.

PHRASE OF THE DAY

Comfort Food

Meaning: 'Comfort Food' is food that gives emotional comfort and provides a nostalgic or sentimental feeling to the person eating it. It's usually prepared in a traditional way and reminds the person of her childhood, home, family and friends.
Origin: The first known use of the term was in the 1966 May edition of the *New York Times,* in a book by Theodore Isaac Rubin, 'The thin book by a formerly fat Psychiatrist': "Think thin... lose weight... learn about ammunition foods, comfort foods, and emergency foods."
Example: Jessie — "Every time I get upset, I ask my husband to make me a big bowl of Grandma's delicious creamy Mac & cheese and imagine myself sitting in her kitchen, with not a worry in the world." Emma — "Wow, that sounds like the perfect comfort food. The only thing my Grandmother could make was Apfelstrudel, and I hate apples."
